

Dear (Name),

*What makes us **love** our one-of-a-kind Sayulita . . .*

- Its beautiful, clean beaches;
- Lush jungle, great for hiking & horseback rides;
- Colorful Mexican culture;
- Or ALL of the above?

Photo: Ed Dorsett

***What is it worth** for us to have:*

- **Free 24/7 ready response ambulance and paramedics** — average cost of an ambulance ride in Canada — \$45-\$240, in the U.S. — \$2,000.
- A well-equipped fire station (with basic English and the jaws of life), plus lifeguards with rescue boards and a proven track record — **900 medical emergencies handled and 327 rescues in the 2013/14 season.**
- Garbage and recycling services that **keep our beach and public roads clean.**
- Continued reduction in crime — **down 90% since state police station opened.**

*You can help preserve these services for as little as a **\$1 a day donation** to **Grupo Pro Sayulita.***

With no real property tax in the state of Nayarit, the only way to supply these services is to support Grupo Pro Sayulita, which provides funding to the Firemen, Paramedics, and Sayulimpia. Do we want to slide back to earlier times — when it could take an ambulance close to an hour to reach someone in need, when beaches and streets were littered and dirty? This is a real prospect — unless we **all** step up to the plate!

**Grupo Pro Sayulita provides \$120,000 U.S. per year** to provide these essential services to you, your families and your visitors. **Join your fellow supporters**, who have already raised \$60,000 through the annual Fiesta. You can give at any level, but here are some suggested benchmarks:

- Gold Supporter: \$500 — \$1,000+ (or the sky's the limit!)
- Silver Supporter: \$365 (\$1/day) — \$500
- Bronze Supporter: \$50 — \$364
- Other: \$\_\_\_\_\_

*Supporting Grupo Sayulita is easy: go to [www.prosayulita.org](http://www.prosayulita.org) and click “donation.”*
