

**HAVE A SWEET STOREFRONT
OR BUSY LOCATION?**

ACUARIO

If you think your location is perfect for hosting an income producing "Living Water Window" please contact us for more information or to arrange a meeting.

AGE OF ACUARIO

Our mission has always been to provide the most superior water possible, at an affordable cost, via the most streamlined distribution model.

The new "Living Water Window" is the perfect technology combo to do just that. With more machines on our local streets, the simpler it is for our communities to receive excellent agua.

OPPORTUNITY

The Acuario Host program is an amazing opportunity for those with ample space and resources to start generating passive income. Acuario will fully install and set-up a living water window at your location.

All you have to do is keep tabs on it, and spread the word!

ACUARIO

BECOME A HOST

HOST REQUIREMENTS

Our goal is to partner with businesses & individuals who are interested in hosting Acuario's self-serve water dispensing stations. In exchange, we are proud to offer a 100% passive, hassle-free, and cost-free income opportunity.

Locations: the ideal spot is somewhere accessible by foot and with parking close by.

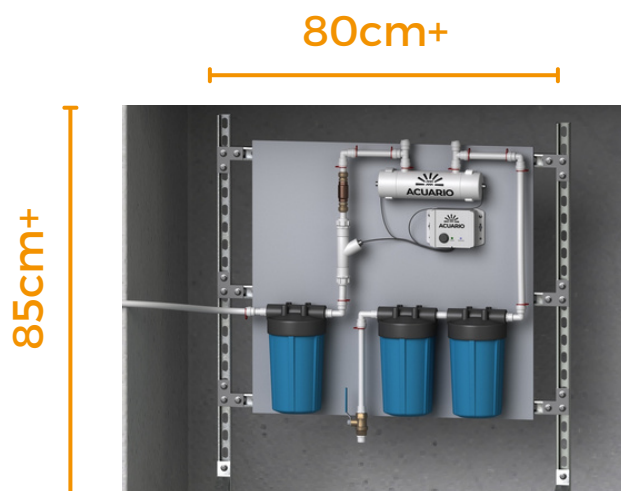

Example areas with high earning potential: near main roads, boardwalks, marinas, community centers, apartment complexes, shopping plazas.

We have compiled a small checklist below. While some items are essential, others can be worked around.

QUALIFICATIONS & REQUIREMENTS TO BECOME A HOST

- Permission from property owner(s) for machine installation & building modifications if you are renting. ✓
- Access to water supply & at least 1000L of water storage capacity. ✓
- Electricity (120V). ✓
- Wifi connection (bonus). ✓
- Foot traffic & parking availability (bonus). ✓
- Accessible exterior wall space at least 94cm x 87cm area. ✓
- Secure and accessible interior wall with at least 85cm x 80cm of additional space (approximately) for the water purification system. ✓
- Signed host agreement. ✓
