# ★ THE AGAVE EXPERIENCE ★

The Agave Experience consists of a complete explanation of the agave, the differences, its origin, its distillates, its flavors among more important things to know, and in correctly tasting the agave distillates.

For the taste will be 5 shots per person.

With 2 agave options: Tequila, Mezcal or mixed.

And for make your agave experience even better, the shots will go with a garnish of fruit and different types of salts.

★ The Tequila & Mezcal that we use is 100% artisanal and one of the highest quality in the local zone production.
