

FUGA D& LUZ

FOTOGRAFÍA

W E L C O M E

Hi, I'm Ethel Verduzco founder storyteller and lead photographer behind Fuga de Luz.

Since 2010, I've been lucky enough to witness and document love and being a Documentary Style Wedding photographer truly is my dream job.

My work is rooted in presence. In capturing what's real, the highlights, the subtle details, and the unspoken magic in between. Images that feel alive and hold meaning far beyond trends. I photograph for the ones who want to be mindfully present on their Wedding day, not performing, not recreating moments as if it were a never ending photoshoot, but living it fully.

For the ones who want their story told with honesty and intention. With gentle direction when needed, and full respect for who they are.

No love story looks the same and neither does my editing. I don't use heavy filters or follow fleeting styles. Each color, each frame, reflects the light, mood and soul of your day.

This is legacy work. Not just for you, but for the generations who will look back and feel what you felt. If this way of seeing speaks to you, I'd be honored to tell your story in a timeless, joyful and candid way.

Take a look at my wedding packages, I'm sure you'll find one that feels just right for your story. And if you have any questions at all, I'd love to connect.

Thank you!

Ethel Verduzco
